SESSION ROOMS TECHNICAL EQUIPMENT

The following technical equipment is available in the conferences session rooms during the Symposium:

- **UNIVERSITÀ DEGLI STUDI DI FIRENZE:** PC with *Microsoft Windows XP + Microsoft Office (Word, Excel, PowerPoint)* and VGA Projector.

- **CAMNES:** MAC with *OS X Lion + Microsoft Office (Word, Excel, PowerPoint) + Apple iWork* and VGA Projector.

Additional equipment at CAMNES:

INTERNET: A Wi-Fi Internet connection will be available throughout the facility. To obtain the related password for access please ask the front desk or the staff.

STREAMING: all sessions that will take place at CAMNES in Via Faenza 43 (check the detailed program) will be broadcast live in streaming on the **CAMNES-live channel:** (<http://camnes.org/camnes-live>)

PLEASE NOTE: participants should bear in mind that their own presentation file must be delivered in advance to the room's staff on a CD or any kind of portable hard or flash drive before the beginning of each related session. We recommend participants to use simple animations and universal fonts within their presentations. To avoid delays during the sessions, due to issues of system compatibility, participants should also prepare a presentation in a Portable Document Format (PDF).

All speakers are kindly requested to observe the **20 minute** time limit. All conferences will be presented in **English** language. No translation services will be available during the symposium.

If you should have any further questions, please contact our secretariat by e-mail (info@soma2012florence.net).
